City of Glass fizzles into existential questioning at the expense of any action. Ghosts comes to a surprising head, and is marked by the total non-characterization of its colorful characters.

### City of glass: Seattle takes public art to new heights

City of Glass was indescribably epic. This was, hands down, my favorite book in the series so far. Cassandra Clare has truly outdone herself. City of Glass was just so action-packed from beginning to end that I was literally grasping anything I could put my hands on to keep me from jumping out of my seat from excitement.
