In the cinema of the United States, the Magical Negro is a supporting stock character who comes to the aid of white protagonists in a film. Magical Negro characters, who often possess special insight or mystical powers, have long been a tradition in American fiction. The term Magical Negro was popularized in 2001 by film director Spike Lee, while discussing films with students during a tour of college campuses, in which he said he was dismayed at Hollywood's decision to continue employing this p
