...

This book is about the life of Ayrton Senna, the three times Formula One world champion. It is the first proper story of a man the world revered and whose like will never be seen again. In this first full account of the life of Senna, the author and his collaborators examine each detail of the drivi...

The Life Of Senna Tom

An insightful and broad writing of the life of the late great grand prix legend Ayrton Senna. The books gives an in-depth account of the entire life of Senna from growing up in Brazil and his first forays into motor sport in Europe to his life in the spotlight and ultimately his untimely death. Much has been written about Senna but this book stands up there with the best of them. I recommend this book.
